re: Executive Stockpile Committee

Dear Mr. McCone:

The Working Group on Disposal of the Executive Stockpile Committee has now completed its study of disposal matters and has prepared a report for the consideration of the Committee, as contemplated in my letter of June 12, 1962. A copy of the report entitled Disposing of Excess Stockpile Materials is enclosed for your review.

In its report, the working group has made some significant suggestions and has identified a number of difficult questions that are presented for resolution and policy decision by the Executive Stockpile Committee. I am hopeful that the enclosed report will permit the Committee to resolve these questions promptly, and that the Committee's Report can be submitted to the President within the near future. The questions presented require consideration by the Committee itself.

For this purpose, I am calling a meeting of the Executive Stockpile Committee, of which you are a designated member, to be held in Room 100, Executive Office Building, at 2:00 PM, on Tuesday, October 9, 1962. I look forward to seeing you on that occasion.

Sincerely,

51  
Edward A. McDermott
